### ***CALM, RELAXED AND ANTICIPATING***

*— Lesley B., Lincoln, Nebraska*

One Friday night while no one was home, I invited my boyfriend to come spend the night. As I hurriedly rushed around getting ready and trying to make sure everything was right, I paused and thought to myself, "I really love him, and I want to-night to be special."

Before I knew it, the doorbell rang. It was him. I ran down the stairs calling, "Be right there!" When I got to the door, he stood there smiling. His hair was still wet from the shower he had taken before he left. I jumped up to give him a hug and as he squeezed me so tightly I could smell the clean scent of his body. I wanted so much to be with him.

We went up to my room and fell onto my bed. He lay there on top of me and kissed me so softy and gently. His hand on my face reassured me of his affection and that everything was okay. After a few minutes of making out I rolled over on top of him, still joined at the mouth, and slowly slid my hand down his stomach and into his pants. I could tell he got excited because I felt him stop and smile for a second, and then kissed me with more aggression and enthusiasm. His breathing started to speed up as I firmly grasped his penis. It had been a long time since we'd seen each other and we were both waiting for this night.

I moved down and unfastened the buckle holding his jeans up. Then unbuttoned with my teeth the button of his pants. I heard a faint whisper.. "You don't have to do this." I ignored his sweet comment as I lifted his body to pull off his clothing. Now he lie stretched out on my bed. Calm. Relaxed. Anticipating my next move. I held his penis in my hand while lowering my head to meet his.

I licked my lips and opened my mouth, then wrapped my lips around his dick, hearing him gasp above me. Moving my tongue from the bottom of his shaft to the tip of his head, I made sure to leave my saliva all over it so I would have something to suck up. I felt it rub up against the back of my throat as a pushed my head down to reach his pelvis.

I could tell he was enjoying every minute of this. The excitement built up and he started to move his hips up and down coordinating with my head. He breathed heavily, short and audible. His body froze as he squirted his cum deep into the back of my throat. I crawled back up towards him and lie there quietly, relieved and proud. I loved making him happy in any way possible.

He grabbed me and pulled me onto him and as I lay there on top of him I could feel his strong, steady heart beat and his chest moving up and down. He was warm and exhausted. I loved him this way. He smiled and squeezed me hard. We lie there talking for a while then I picked my head up to kiss him. His soft lips made me tingle and the taste of him gave me chills. We sat up and I put my arms over my head while he gently lifted my shirt off of me.

Then I did the same to him. I undid my pants and he pulled them off. Both of us naked, I lay down on the bed positioning myself to place my legs outside his hips. He eased down and I took his cock in my hands and moved it up and down the outside of my pussy's slit, rubbing it there for a second or two at the clit, stroking it with the tip, before placing his dick into my slippery opening.

Within a few seconds, it was all in and he started moving it in and out of me, driving my sexual energy even higher. He wriggled his hand between us enough to stimulate my clit with his fingers. I started feeling really good with that additional stimulation, because soon I was moaning more and going faster, bouncing on his hard cock like there was no tomorrow. I told him that he shouldn't go too fast or I would explode again.

I moaned as he thrust into me harder and deeper. Faster and faster he pushed and pulled his way in and out of me while I clenched and pulled on his hair roughly, forcing him to keep going and to speed up the pace. Then... the explosion. He burst inside me and I felt his hot cum enter my body.

At the same time, I was coming to a climax. Together we reached an orgasm and melted into each other. It was the best feeling I had ever felt. We were sweaty with exhaustion and out of breath, our hearts beating simultaneously.

He stopped and rested on top of me. His warm embrace was comforting and soothing. At this moment, we were perfectly content. We lie there, hap-

py with ourselves and loving each other more now than ever.

Just as he began to passionately kiss me, I started to cry. This was the happiest moment of my life. I was so in love with him and he felt the same way about me. So honest and pure, so comfortable and relaxed. This was love. These are the moments we live for. Everyone has rough times and life isn't easy, but it's times like this, when you are the happiest you've ever been and all your problems are nonexistent, and the only person in the world you'd ever want to share it with is lying on top of you with closed eyes and a grin on his face, it's times like these that make us want to forget about the hard things and live.

## **DOING DIRTY THINGS TOGETHER**

— *Jenny V., Austin, Texas*

The first time I made it with Francine, I was nineteen years old. We were on an 'overnighter' at her place and her folks were downstairs watching a movie on their DVD. We spent the whole night in her single bed, doing sixty-nine. She licked my throbbing pussy to perfection until I had cum at least four

**FRANCINE WAS LESS ENERGETIC IN OUR COUPLING. I COULD EAT AND LICK HER PUSSY FOR THE WHOLE NIGHT. HER TONGUE, ON THE OTHER HAND, DOES GET TIRED...**

times — and I explored her warm, wet sex for the rest of the night. I should add that her boobies looked almost fake, they were that perfect.

As for me, I'm five-five, brunette and been told I have a super-hot body that never quits. Francine was the less energetic in our coupling. I could eat and lick her pussy for the whole night. Her tongue, on the other hand, does get tired, not that her technique has ever tired out. Francine eats my pussy better than any man. And that, unfortunately, includes my husband, Glenn.

Now, Francine and I are both in our late twenties and married. I think we look as sensational as we did back then. Our husbands are both friends and we go on these double vacations together. Last summer, Tate and Glenn decided to go hunting. We were staying in a cottage in the Ozarks and as soon as we saw the guys getting out their gear, we gave each

other the 'look' as we called it.

Francine immediately knew what was on my mind. Since we hadn't slept together for almost a year, we were both hot and horny for each other. Francine locked the cabin door as the men finally left and settled into our lezzie afternoon romance. Within minutes we were over the awkwardness and naked on the bed. Her body is just as I remember, slim, hard and smooth, soft skin.

Her long blonde hair graced her neck and shoulders. We sipped wine and talked about our husband's dicks, their stamina, and their prowess in then sack. And while the news wasn't great, we decided they were both worth loving and keeping, as long as we could see each other. Maybe even one day we would tell them about our long-running affair.

As I lay on my back, rubbing my clitoris feverishly and feeling my swollen pussy lips getting wetter and hungrier for Francine's tongue, she pulled a thick, pink dildo out of a little suitcase and started lubricating it with her own pussy juice.

***FRANCINE IMMEDIATELY KNEW WHAT WAS ON MY MIND. SINCE WE HADN'T SLEPT TOGETHER FOR ALMOST A YEAR, WE WERE BOTH HOT AND HORNY FOR EACH OTHER.***

Then she shoved it, hard and fast, into my cunt, making me moan and scream with delight. It felt incredible. I was experiencing all the pleasure of having a gigantic, ten-inch prick inside my pussy as well as the obvious benefits of having a gentle, considerate female lover who is sensitive and smart as well as sensual.

Francine made me cum and cum with the dildo. I came so much I collapsed on the bed, waking up to find Francine tidying up the "remains" of our afternoon sport while our men pounded hysterically on the cabin door. When everything was back in its place, Francine opened the door. Our husbands were kind of puzzled but I really think that they believed us when we informed them that we'd both been napping.

I honestly don't think Glenn or Tate would believe that girls could do such dirty things together. Since that occasion, I have had ample opportunity to return Francine's favor.

Now, we love to get it on with our big, pink ten-inch dildo while we keep this little secret from our husbands.

A woman with long brown hair, wearing red lipstick and a red flower hair clip, is posing for a photo. She is nude, with her right arm raised and her left hand resting on her chest. She has a small tattoo on her lower abdomen. The background features a window with white panes and a potted plant in a red container.

going all tingly

*It was wrong, all wrong, for us to do it.  
But he was the hottest guy I'd ever met.*

## Hot for Her Friend's Dad

I suppose you could call it stolen love, like wives cheating on husbands, but this was different. I wasn't ever supposed to lie next to Bert and feel his hands all over me, and his huge... well, you know... because he was my best friend's father.

We'd moved to this new town, and I was 18 and ready for anything. But my dad was awful strict; like, if I wore a tight sweater he'd say, "Put on something else. You look like a whore."

This was because I was pretty well-developed. And if I went out nights with boys, even to a basketball game or a movie, he'd be waiting up, looking like a cop or something.

My mom couldn't do a thing but wring her hands, and beg me to "be careful."

"What of?" I'd say, real innocent, as if I hadn't made out with guys in cars or something. So I never bothered to argue with either of them or anything like that. But when I left home each morning I would unbutton the top three buttons of my blouse, and I usu-

ally managed to sneak out without a bra. And I'd pretend I didn't notice how the guys would stare at me. When they'd accidentally on purpose bump into me I'd look at them, kind of wide-eyed and smile, just a little, and then look down. I have quite big eyes, with long lashes I can flutter. You'd be surprised the way some of those dudes bulged up.

Lisa lived around the corner from me, and took it upon herself to show me around. She wasn't so bad herself, the small, dark cute type, with lots of silky hair and a little pointed chin. She had two steady boyfriends, she told me, and I thought that was cool, but when I saw them I didn't exactly feel envious.

They were both the kind of gangly, pimply types, though I figured maybe the blond one would be fun, and I fluttered at him a little. He seemed to like me too, but then I thought I'd better keep on Lisa's good side. She'd know others...

And did she ever! Ha—right at home! One afternoon she invited me home to listen to some tunes. "My dad will be here; I forgot," she said after we'd climbed the dark stairs of the three-decker where she lived. "It's his day off. Mom works from three to eleven, downtown." She opened the door. "Come on in."

BLAIR-NTS-09

The living room was sunny but pretty messy, with newspapers scattered over the floor, with the TV going. But I didn't notice much. All I could see was the gorgeous hunk of man who got up from the sofa where he'd been lying. Lisa's father.

I couldn't believe it. My dad is sort of weather beaten, with gray hair, and he looks a hundred years old, but Bert didn't seem more than 25. He was tall, with lots of dark, curly hair, brown eyes and white teeth. He had just a T-shirt on, and I could see the springy black hair on his chest.

"Dad, this is Melissa," Lisa said. "She's new here in town."

"Hi," he said, grinning, and kept on looking at me. And I couldn't look anywhere else. I just stood there, and my eyes seemed to be inside his eyes. And I could feel myself going all tingly, especially down between my legs. I saw his eyes finally flick to my breasts, and then the rest of me. He couldn't seem to look away either.

Lisa had put her pocketbook on the corner table. "For Christmas, Melissa," she said. "Don't stand there. Come on in the kitchen. I'm going to get some Cokes. Then we'll go into my room and listen to that band I was telling you about. It's awesome."

I followed her but felt funny and a bit shaky. All I could think of was that sexy dad of hers. What did she say his name was, Bert? Right. The name kept pounding at me. Bert. Bert. Bert.

That night in bed I couldn't sleep. All I could think, all I could feel, was Bert. What would it be like if he were with me? There

in my bed? Close, close, close. With his gorgeous body, his hair, his... Oooh, I shivered all over and buried my face in my pillow, and felt myself tingling with a terrible hunger.

I knew I'd go back. Somehow I'd see him again.

The next day I bumped into Lisa. She said, "Hey Melissa. My dad thought you were cute. He said you were the cutest friend of mine he's ever met."

I felt as if I'd faint. Lisa stared at me. "Are you OK?"

"Sure," I said. "Can you lend me the book you're reading? I forgot mine."

He worked in a smoke shop, Lisa had told me. And so that afternoon I just casually walked by, slow like, and looked in the window.

I could see him, so tall and so big. He was laughing with a customer, and his strong white teeth glistened.

I could feel my breasts tingling, and then all of me. And I couldn't help it. I just stood there, looking. Then he glanced outside and laid eyes on me. He waved. And then I waved.

Lisa said she and her mom, who was off work, were going out that night. There was some kind of street fair going on, and she invited me to go along. But I said no, I had too much to do. And I knew just what I was going to do.

BLAIR-NTS-10

That evening, I found my way to Lisa's place. It was as if I didn't have to think. I climbed the stairs and every floorboard creaked, but all I could hear was my heart.

Number Three. Green door. I knocked. There were steps inside. It opened. He stood there, tall and gorgeous in his jeans and T-shirt, a bottle of beer in his hand.

"Why, hi!" he said. Oh, those wonderful teeth, gleaming, those hungry eyes welcoming me. "If it isn't Melissa. Come on in."

"I-I came to return Lisa's book," I stammered, and stepped in.

He glanced at the book and closed the door. And then he took it, while looking at me. "Ah," he said. "Why don't you sit down? Everyone's out. A fellow gets lonesome. Here, over here."

He led me to the couch. The TV was on, bright and full of action, but I hardly saw it.

"Would you like a beer, Melissa?" His voice was low and tender. I shook my head, and he sat down next to me, and took a swallow himself. Then he set the bottle on the floor and put his arm across the back of the sofa, in an offhand sort of way.

"Like our town?" His voice was still gentle. His hand drooped over my shoulder, found my breast.

"Oh, yes." I felt kind of giddy, different from the times I'd fooled around with guys on dates.

Slowly his arm came down until it was around me, and I nestled a little closer. His other hand went to my blouse, unbuttoned it. "My god," he breathed. "I've never seen anything like this."

Almost roughly he turned me to him, crushing me close. "You little witch," he said. "You gorgeous little witch. You've got me so hot. See?" He took my hand and pressed it against his crotch, and it was all swollen and hard.

Then he got up and picked me up, and then carried me into the bedroom and almost threw me on the bed. The pink satin spread was smooth and cool. Then fast, fast, he took off my clothes. First my top; when he'd almost ripped it from my shoulders he reached down and took my left breast in his mouth. I writhed, it was so wonderful.

I felt his teeth, and it hurt a bit, but it was wonderful. I shut my eyes for a moment, and then I opened them and saw his face, all flushed.

"Good god," he kept saying. Then he pulled off my jeans and my panties, and then his own things and I could see his great big dick. It was the biggest dick I'd ever seen and I wanted it, I wanted it bad—deep inside me. He was over me right away, and I gave a cry: "Please! Please! Now!!"

I thought I couldn't stand the terrible hunger I had down there, hunger for her father's hard flesh. He plunged in and I screamed. Not because it hurt, but because it was something so... so gorgeous. It was pain, but it was wonderfulness, too.

He went up and down, up and down, and the tears streamed from my eyes. Finally he came and I came too, and it was like the whole world exploded. "Christ," he said. "Sweet loving Jesus!" And he collapsed on top of me, panting. My arms were around him, my hands stroking his back, slippery now with sweat. His kisses were all over my face and neck. He even nibbled on my shoulder.

We lay there for some time. Then he rolled off and we were side by side, but his hands never left me. "Your skin is smooth," he said. "A baby skin. And your titties are round, like melons, but just soft enough." He stroked and stroked, and I put my hand down on his penis and stroked it, and I felt it getting big again, big and bigger and bigger. "My god!" he exclaimed. "I can't believe it."

I kept stroking and then I sat up and said, "Shall I?" And before he could say anything, I bent down and took that magnificent dick into my mouth ... all of it. He let out a big moan and then came in my mouth. I sucked and sucked until it was all over, and then I looked up at him, and smiled. He said, "Melissa, where did you come from?"

And I just said, "From Iowa," and he laughed. Then I saw the clock on the bedside table. "Omigod!" And he looked, too, and both of us scrambled into our clothes.

I got out of there just in time. It was dark on the street but I could see two figures turning the corner, and I knew Lisa and her mother were on the way.

I couldn't sleep for a long time that night, because I couldn't keep from thinking of Bert—how his chest was all springy with thick curly hair, and how he panted as he rammed in his dick, and how he groaned and groaned as he fucked me. I felt all tingly again.

The next day, of course, I ran into Lisa again and mentioned about the book, acting as if nothing had happened. But later on I couldn't keep from sort of strolling by the Smoke Shop. There weren't any customers just then, and Bert saw me. He beckoned, and I went in and he said, his gorgeous white teeth showing, "What can I do for you, miss?" And then he got real close.

I shut my eyes because I felt faint, and he took my hand and started leading me. And I looked and then he said, "Here. In the back room. I'll hear the bell if anyone comes in." In the back room there was a desk and a chair and a little cot, and he almost threw me down on the cot.

"Jeez, what a hot number you are!" he said, and he had my jeans dragged down before I could say or do anything. I arched my body toward him and that big, beautiful cock.

When finally I was on my way, he said, "Be careful about coming here. Don't let anyone find out."

That scared me a little, and I was really very careful. I'd never go when there was anyone around, or anything. But I managed.
